INTRASTATE AND INTERSTATE CLEARANCE ORDER

The employer agrees to provide to workers referred through the clearance system the number of hours of work per week cited in Item 10 of the clearance order for the week beginning with the anticipated date of need, unless the employer has amended the date of need at least 10 working days prior to the original date of need by so notifying the Order-Holding Office (OHO). If the employer fails to notify the OHO at least 10 working days prior to the original date of need, the employer shall pay eligible workers referred through the intrastate/interstate clearance system the specified hourly rate or pay, or in the absence of a specified hourly rate or pay, the higher of the Federal or State minimum wage rate for the first week starting with the original anticipated date of need. The employer may require workers to perform alternative work if the guarantee is invoked and if such alternative work is stated on the job order.

The employer agrees that no extension of employment beyond the period of employment shown on the job order will relieve the employer from paying the wages already earned, or specified in the job order as a term of employment, providing transportation or paying transportation expenses to the worker's home.

The employer assures that all working conditions comply with applicable Federal and State minimum wage, child labor, social security, health and safety, farm labor contractor registration and other employment-related laws.

The employer agrees to expeditiously notify the OHO or State agency by telephone immediately upon learning that a crop is maturing earlier or later, or that weather conditions, over recruitment, or other factors have changed the terms and conditions of employment.

The employer, if acting as a farm labor contractor, has a valid farm labor contractor registration certificate.

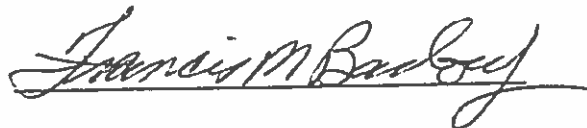

The employer assures the availability of no cost or public housing which meets applicable Federal and State standards and which is sufficient to house the specified number of workers requested through the clearance system.

The employer also assures that outreach workers shall have reasonable access to the workers in the conduct of outreach activities pursuant to 20 CFR 653.107.

No person who is not an employee and has not been assigned housing will be permitted to occupy the housing. Workers will be assigned to employer provided housing by the owner or manage and must occupy the quarters assigned to them.

Employer retains possession and control of the housing premises at all times, and worker, if provided housing under the terms of this work agreement, shall vacate the housing promptly upon termination of employment with the employer who provides the housing, in accordance with state law.

Housing will be clean and in compliance with ETA 20 CFR 654 Housing Standards. Has complete furnishings with appliances. Worker will be responsible for maintaining housing in a neat & clean manner and in compliance with Work Rules which will be provided upon hiring and are attached hereto and incorporated by reference in this application.

All housing is group housing in which all workers will share kitchens and common areas without regard to gender. Female workers, however, will be provided with sleeping facilities shared only with other family members or with other females. Sex-segregated toilet facilities will be provided.

If one has not already been performed at the time of this filing, Barlow Farms requests a timely inspection (prior to occupancy) of employer-provided worker housing by the Virginia Employment Commission and/or the VA Health Dept at any reasonable time to verify its condition so as to ensure that all worker housing meets standards no later than 30 days prior to occupancy.

Housing is expected to be occupied by March 1, 2016.

Item 11 – Anticipated Hours of Work per Week (continued from ETA 790, Page 1, Item 11)

Seven - eight hours per day is normal. Workers may be offered more than the specified work in a single day. The worker may be requested but not required to work 12-14 hours per day and/or on the Sabbath or Federal holidays depending upon the conditions in the fields, weather, and maturity of the crop. The employer will designate time for lunch and breaks. Worker may be requested to work Saturday and Sunday during peak times and special needs but not required. These requirements pertain to both H-2A and US workers. Extreme heat, cold or drought may affect working hours. Employer will offer 40 hours/week, weather and crop conditions permitting. Worker will report to work at designated time and place as directed by employer each day.

Item 12 – Anticipated Range of Hours For Different Seasonal Activities (continued from ETA 790, Page 1, Item 12)

Workers should expect occasional periods of little or no work due to weather, crop, or other conditions beyond the control of the employer. This can occur anytime throughout the season. As a general matter, working hours will be divided between duties related to soybeans, wheat, hay, and general farm work depending on the employer's needs. Given that the demands of agricultural production are unpredictable and determined by factors to include weather, crop conditions, market demands and seasonal task needs

ETA 790 - Attachment 1

Barlow Farms

Page 2 of 5

and numerous other factors, it is impossible to predict with any degree of accuracy the percentage of time that will be dedicated to any specific task referenced in Item 16.

Item 16 – Job Description and Requirements (continued from ETA 790, Page 3, Item 16)

Workers will perform various duties related to production of hay wheat, soybeans, & similar grains, and general farm work

General Conditions Applicable to All Crops: Work begins at an assigned time shortly after daylight. Work is performed under various weather conditions. Workers will use muscles to lift, push, pull, or carry heavy objects in loading and unloading trucks and/or trailers. All of the tasks in this job description constitute one (1) job; the employer may assign workers to different tasks on any day or to multiple tasks during the same day in the sole judgment of the employer. Workers may be required to perform work on the farm that is incidental to producing the crops such as performing hand weeding or hoeing, greenhouse cleaning and repairing buildings, maintaining grounds, operate tractor/farm equipment, incidental crop setup when needed, and movement of irrigation systems and equipment, gardening, cleaning around ponds & fields with bush axe and/or sling blade to clear right of ways for machinery to enter work zones, etc. This is a very demanding and competitive business in which quality specifications must be rigorously adhered to. Sloppy work cannot and will not be tolerated.

Employer will provide tools and equipment at no cost for workers to perform the above tasks. Deductions will be made to workers who are found to be responsible for any willful damage to or loss of such tools and equipment.

Full Crop Commitment: This is regular work seven - eight hours per day, Monday – Friday, and five hours on Saturday for the full remainder of the period of employment. The worker agrees to work for assigned employer whenever work is available during the full remaining period of employment even though work may be slack at times. The worker understands that if he quits or is terminated for cause prior to the end of the period of the employment, he will not receive the $\frac{3}{4}$ guarantees discussed below and will not receive certain transportation reimbursements discussed elsewhere in the job order.

Worker must have three months (3) verifiable prior work experience in position offered. The employer retains the right to discharge an obviously unqualified worker, malingerer or recalcitrant worker who is physically able but does not demonstrate the willingness to perform the work necessary for the employer to grow a premium quality product, or for any other lawful reason. All terms and conditions in this job order will apply equally to all workers, both US workers and H-2A workers, employed in the position described in this job order.

Item 18 – More Details About the Pay (continued from ETA 790, Page 4, Item 18)

The current Adverse Effect Wage Rate (AEWR) of \$10.72 per hour or the AEWR in effect at the time work is performed, the prevailing hourly rate, the agreed upon collective bargaining wage, or the legal Federal or State Minimum Wage Rate, whichever is highest, is guaranteed to all workers.

The employer agrees to guarantee all workers employed in the 2016 season a minimum of \$10.72, which is the adverse effect wage rate (AEWR). In the event the US Department of Labor (DOL) promulgates a new AEWR during the recruitment or work contract period that is lower than the current AEWR at the time of application, the employer will pay the newly established AEWR. If, however, there is an adjustment to the AEWR, the employer will pay the highest of the adjusted AEWR, prevailing hourly wage or piece rate, the agreed upon collective bargaining wage or the Federal or State minimum wage.

The employer guarantees to offer employment for a minimum of three-quarters ($\frac{3}{4}$) of the workdays of the total specified period during which the work contract and all extensions thereof are in effect beginning with the first work day after worker's arrival at the place of employment and ending on the expiration date

ETA 790 - Attachment 1

Barlow Farms

specified in the work contract or extensions thereof. In Act of God terminations, the three-quarters (3/4) guarantee period ends on the date of termination. The worker is not required to work more than eight (8) hours per day except when otherwise stated in the job order or on the worker's Sabbath or federal holiday to meet the guarantee period. The employer guarantees the worker the amount the worker would have earned had the worker in fact worked for the guaranteed number of days.

Worker will be paid weekly or bi-weekly or as stipulated on ETA 790, Item 17

The employer will abide by the regulations set forth at 20 CFR 653.501(d)(2)(v)(A) & 20 CFR 653.501(d)(2)(v)(D) which states that the employer will provide worker who is referred through the Interstate Clearance System forty (40) hours of work for the week beginning with the anticipated date of need unless the employer has amended the date of need by notifying the local office no later than ten (10) days before the date of need. If the employer fails to notify the order holding office, then the employer shall pay an eligible worker who is referred through the Clearance System for the first week starting with the originally anticipated date of need. The employer will require the worker to perform alternative work if the guarantee cited in this section is involved. The alternative work will be related to farm maintenance activities required in operating an agricultural operation. If the worker who is referred fails to notify the order holding office of continued interest in the job at least five (5) days before the date of need, worker will be disqualified from the above mentioned assurance.

All requests for leave of absence must be in writing. All absences will be counted towards hours offered for the purpose of computing the 3/4 guarantee.

The employer will advise H-2A visa beneficiary/workers of their responsibility to return to their country of origin, or to subsequent employment-authorized work, at the end of the term of employment.

The employer will make the following deductions: FICA (X) Federal Taxes (X) State Taxes as applicable and deductions including court ordered child support, garnishments and liens will be made according to individual circumstances, all as required by law, & deductions for repayments of cash advances or loans. Reasonable repair costs of damage to housing other than that caused by normal wear and tear or loss of equipment will be deducted from workers found to have been responsible for such damage to housing or loss of equipment.

Employer will furnish the worker on or before each pay period written statements showing the hours actually worked by the worker, the worker's hourly rate of pay, the hours of employment offered including those above the guarantee and total earnings for the pay period. Any deductions will be itemized. Also included on the statement will be: if piece rates are used, the units produced daily; the beginning & ending dates of the pay period; & the employers name, address, and FEIN.

Item 19 – Transportation Arrangements (continued from ETA 790, Page 4, Item 19)

The employer will reimburse the worker for costs incurred by the worker for visa application fees, border crossing fees, transportation costs and reasonable subsistence from the place which the worker came to work for the employer to the place of employment to the extent that such worker-borne expenditures reduce the workers' FLSA earnings at the first pay period, or, no later than at the halfway point in the contract ("50% period"). Daily subsistence (not less than \$11.86 per day) or the current minimum subsistence amount as published in the Federal Register from the place from which the worker, without intervening employment will come to work for the employer, will be paid to workers who cannot provide receipts, and the maximum or the current maximum subsistence amount published in the Federal Register travel subsistence of \$46.00 per day will be paid to the workers with acceptable receipts. The transportation reimbursement will be calculated on the workers' actual cost but no more than the most economical and reasonable similar common carrier transportation charges for the distance involved.

ETA 790 - Attachment 1

Barlow Farms

Page 4 of 5

If before the expiration date specified in the work contract, the services of the worker are no longer required for reasons beyond the control of the employer due to fire, weather, or other Act of God that makes the fulfillment of the contract impossible, the employer may terminate the work contract. Whether such an event constitutes a contract impossibility will be determined by the CO. In the event of such termination of contract, the employer must fulfill a three-fourths guarantee for the time that has elapsed from the start of the work contract to the time of its termination, as described in paragraph (i)(1) of 20 CFR 655.122. The employer must make efforts to transfer the worker to other comparable employment acceptable to the worker, consistent with the existing immigration law, as applicable. If such transfer is not affected, the employer must: (1) Return the worker, at the employers expense, to the place from which the worker (disregarding intervening employment) came to work for the employer, or transport the worker to the workers next certified H-2A employer, whichever the worker prefers; (2) reimburse the worker the full amount of any deductions made from the workers pay by the employer for transportation & subsistence expenses to the place of employment; & (3) pay the worker for any costs incurred by the worker for transportation & daily subsistence to that employers place of employment. Daily subsistence (not less than \$11.86 per day) or the current minimum subsistence amount as published in the Federal Register will be paid to the worker. The amount of the transportation payment must not be less (and is not required to be more) than the most economical & reasonable common carrier transportation charges for the distances involved.

If the worker completes his contract, meaning his "period of employment", the employer will provide or pay the cost of return transportation and subsistence enroute from the place of employment except when the worker is not returning to the place of departure, and has subsequent employment with an employer who will bear transportation expenses.

The employer will provide transportation at no cost to the worker from the employer provided housing to the worksite and return to such housing on a daily basis.

If the worker voluntarily abandons his employment or is terminated for cause prior to completion of his contract, the employer will not be responsible for providing or paying the cost of return transportation and subsistence enroute from the place of employment to the place of departure. All transportation provided by the employer will be by common carrier or other transportation facilities that conform to applicable regulations of the Interstate Commerce Commission. The employer will provide worker transportation from the living quarters to the work site and back each day at no cost to the worker.

For the purposes of the above requirements the "period of employment" is defined as the period from the first workday the worker is at the employer's farm and is ready, willing, able, and eligible to work until the anticipated ending day of the employment in Item 9.

Small Employer Exemption

The employer requests an exemption from the 50% rule under CFR 655.135. It did not, during the last calendar year, use more than 500 "man days" of agricultural labor as defined in Section 3 (u) of the Fair Labor Standards Act of 1938 (29 USC 203[u]). The employer is not a member of an association which has applied for a temporary alien agricultural labor certification under this subpart for its members, and has not otherwise associated with other employers who are applying for H-2A workers under this subpart.

Other Conditions of Employment

Termination: – The employer may terminate the worker with notification to the employment service local office if the worker (a) refuses without justified cause to perform work for which the worker was recruited and hired or (b) commits serious acts of misconduct.

In the event of termination resulting from an Act of God, the employer will provide or pay reasonable costs of return transportation and subsistence to the place of where worker departed to work for employer and reimburse worker for reasonable costs of transportation and subsistence incurred by the worker to the place of employment.

Other: - Worker must have necessary documents to complete INS Form I-9 upon hiring but not prior to the interview. Workers will have up to three (3) days from date of hire to provide I-9 documents.

In the event of any conflict between the English and Spanish versions of this document, the English shall govern.

Work Rules

Although not intended to be a complete list, these work rules are intended to provide guidance to workers of standards of conduct expected of them.

Notice is provided that violation of lawful job-related employer requirements, including these work rules, will be considered grounds for immediate termination of a worker's employment. Penalties such as suspension from work opportunity for the remainder of a day to three days may be made in the case of less serious violations.

Workers are expected to comply with all rules relating to discipline, attendance, work quality and effort, and the care and maintenance of all property provided to them by the employer.

1. Workers who perform sloppy work may be suspended without pay for the remainder of a workday or for up to three days in the sole judgment of their supervisor, depending on the degree of the infraction, the worker's prior record and other relevant factors. Discharge of the worker may result from any subsequent offense.
2. No use or possession of beer, liquor or illegal drugs is permitted during work time or during any workday before work is completed for the day (such as during meals); workers may not report for work under the influence of beer, liquor, or illegal drugs. Employees may be terminated for excessive use of alcohol, drunk and/or disorderly conduct in house after hours. Illegal drugs may not be used, sold, manufactured or kept on any employer premises, including housing. Employer will test for drugs upon suspicion of use at employer's expense.
3. Excessive absences will not be permitted. This is regular, everyday work for which employees are expected to be present, able and willing to perform every scheduled workday. This is not sporadic or "day work." Excessive or repeated tardiness is not acceptable. Any absence from work must be reported by 7AM. Five consecutive workdays of unexcused absence will constitute abandonment of employment and worker will be terminated.
4. Workers shall maintain any living quarters provided to them clean and in good repair, given reasonable wear and tear. Workers shall cooperate in maintaining common kitchen and living areas. No pets of any kind are permitted.
5. All posters required by federal and state law will be posted at each camp. They are not to be removed, defaced, or altered in any way. Workers who wish copies may ask their supervisor.
6. All housing must be locked each morning before leaving for work. Lights and unnecessary heat should be turned off; doors and windows closed in event of rain and when heat is turned on.
7. Workers living in employer's housing assigned to bunk beds may not separate bunk beds, as floor space in sleeping rooms is needed by all occupants.
8. Workers living in employer's housing may not cook in sleeping rooms or any other non-kitchen areas. Employer furnishes cooking facilities and equipment.
9. Workers may not drop paper, cans, bottles and other trash in fields, work areas, or on housing premises. Trash and waste receptacles must be used.
10. Workers may not take unauthorized breaks from work.

11. Workers may not leave the field or other assigned work area without permission of employer or person in charge.
12. Workers may not enter employer's premises without authorization.

14. Workers living in employer's housing may not entertain guests in housing premises after 10:30 p.m. except on Saturday night on which night guest hours end at 12:00 midnight. No persons, other than workers assigned by employer to a room, may sleep in any room.
15. Workers may not deliberately restrict production, damage plants or bruise fruit.
16. Any worker who physically threatens another worker, the employer or any supervisor will be subject to immediate discharge.

Mission and Goals: The Virginia Farmworkers Legal Assistance Project is a federally-funded legal services organization providing legal assistance and community education to migrant farmworkers throughout the Commonwealth of Virginia. Farmwork is the second most dangerous occupation in this country. More than 42,000 farmworkers labor in Virginia, and face numerous problems -- including unpaid wages, pesticide exposure, and on-the-job accidents. The workers' legal issues are compounded by the cultural, geographic, and linguistic barriers they face.
